

**Almost Athletes Committee Nomination Form (April 2026)**

Each year, all committee members stand down at the AGM, as required under Sections 6 and 7 of the Constitution. They may then offer themselves for re-election, subject to the limits on consecutive years of service.

For the 2026 AGM, all current committee members, with the exception of Penny Lewis, (Minutes Secretary), have confirmed they are willing to stand again. This means there are currently two vacancies. One as Minutes Secretary and one further Management Committee member, as per the constitution. Importantly and in addition, any member can stand for any of the officer roles (Chair, Secretary, Treasurer, Membership Secretary, Welfare officer). If more nominations are received than there are positions available, a vote will take place at the AGM.

**How to Stand for Election**

- Any member wishing to join the Management Committee must be nominated in writing, as set out in Section 9E of the Constitution.
- **Nominations must be received no later than 48 hours before the AGM.**

We warmly encourage any interested member to discuss their intentions ahead of the deadline. This helps ensure clarity about the role, the skills you feel you can bring, and how you would like to contribute to the running of the club. These conversations should include Dave McGrath (Chair).

**Voting at the AGM**

In order to be eligible to vote, members need to be present at the AGM.

Members of the club who wish to stand for election to the Committee must be nominated by two or more members.

It is important that you have consulted with the person you are nominating and that they are willing to take on the role as committee member before you nominate them.

New nominations will not be taken on the night of the AGM.
